# BYZ NEWS

The official newsletter of Blackburn Youth Zone: January 2020 | Edition 11

Happy New Year to everyone in the BYZ network. We ended 2019 on a high with a grand total of 2,085 visits in December and an increase of 12% of young people accessing BYZ universal provision than the previous year. We celebrated the festive period with a number of Xmas parties, pantomime trips and a Winter Warmer Eat Together. We are looking forward to launching our exciting new programme throughout January and welcoming back all of our members for 2020.

### BYZ gives away free food hampers to those in need

This December Blackburn Youth Zone partnered with Kingdom Outreach to provide over 100 families in need with a xmas food hamper. Local businesses such as Vape Dinner Lady, 4 Walls Entertainment and the refugee community also donated food to enable more families to benefit. Alongside this families were also surprised with sacks of toys donated from Cash 4 Kids which were received with great appreciation at what can be such a tough time for some.
