Working in partnership with DWP, Blackburn Youth Zone will provide unemployed young people with specialist support to secure future employment.

Overcome barriers and the perception of employment for young people, building aspirations to move towards and into paid employment.

Provide 1-1s with designated Youth Keyworkers and group therapeutic support to young people identified as needing this support.

Harness BYZ's strong relationships with established network business Patrons to leverage support and opportunities for young people to gain employment, nurture entrepreneurial ability and build careers.
